"Dr. Ray is oh so sweet

his actions make me feel real neat

A subluxation every now and then

"Thank you " I write with this pen!" - N.G.

"He`s very friendly and makes you fell comfortable and relaxed" - E.S.

"Because he makes me feel GOOD!" - R.M.

"Because Dr. Page keeps me healthy so I can keep working to pay for orchids, plants, trees and traveling. He also allows me to pamper my fury friends,. Thank you." - S.O.

"Because he has brought me a long way from where I was to where I am today. I`m kicking once more."- E.G.

"Because he "lights" up my life with his nimble fingers and winning smile." -K.G.

"Because Dr. Page is very kind and gentle. He has made me feel very comfortable and has informed me thoroughly about things related to my spine that I did not previously know. I`m lucky to know him because I feel better each day and I`m no longer afraid of chiropractors. Thanks!"- L.C.

"An adjustment from him is like "flossing" my bones. I feel all energized and ready to kick off another day after his magic fingers flosses thru my back." -N.F

"I am fortunate to know Dr. Page since my bones need adjusting as I age. For correcting my subluxations he has my eternal adoration."- T.C.

POEM TO DR.RAY!

Our family visits Dr. Page

Is truly and simply all the rage,

We love to wear the gorgeous gowns,

And like to hear some `crack, crack` sounds

We're always welcomed by his wonderful staff,

A little chat, a kiss and a laugh

We leave the office feeling great

Can't wait to come back, mate!

-M.G.

"Because he turns on the POWER and the ENERGY for me every time. Thank You!"-A.M.

"I am feeling much better now. My neck and back pains has been reduced."- A.P.

"Porque al termino de mi tratamiento tendré una mejor vida." -L.F.

"Because he knows how to straighten me out."- M.O.

"Porque desde que le conocí y me trato con el, mi vida ha cambiado para bien y mi salud esta mejorando. Gracias."-D.M.

★  **The Lucky Winner!**  ★

"Because his adjustments calm me down and allows me to focus in school. He's the best for my ADD and anxiety!(It's) better than Ritalin!" -M.F.
